

The Parable of the Talents (Matthew 25:14-30, Luke 19:12-28) teaches us to make use of the gifts and opportunities given to us by God.

This fundraising project is all about giving members of the J10 Church Community the opportunity to use their creativity, enterprise and other God-given talents to raise funds for the ARC project. Just like in the Parable of the Talents, interested church members will be trusted with a financial investment so that they can use their own talents to create a fundraising business or event, for the ARC, but at the same time, hopefully have a community, gospel sharing impact.

Projects can be anything from cake sales to selling J0 printed T-shirts, hosting a dinner party charging donation, a silent auction, a raffle, or any far more creative idea you can come up with.

In order to participate simply:

1. Complete the form on the back and return it to a church elder.
2. All ideas will then be reviewed by church trustees or elders.
3. Challenge leads will be contacted with outcome of decision
4. Approved challenges will receive their monetary Talent.
5. Begin your Challenge!!

Go out and using your talents to glorify God, serve the common good, and further God's kingdom!
